SUICIDE NOTE

I, **[Insert Full Legal Name, Middle Initial Mandatory]**, being of **somewhat sound mind** and **suspiciously perfect penmanship**, do hereby declare the following of my own volition, with no influence, coercion, or bribes in the form of fine bourbon from any third party, including but not limited to my lawyer, therapist, life coach, or ex-spouse.

1. I am choosing to depart this earthly realm because of:
 - Existential dread
 - My billable hours
 - The futility of arguing with clients who "did their own research"
 - Other: _____
2. I have made peace with:
 - My inbox (unread emails: [Insert Number])
 - My clients (except for [Insert Client Name]; they know what they did)
 - The fact that my cat never truly loved me
3. I affirm that no lawyer advised, encouraged, or drafted this note for me, especially not **[Insert Lawyer's Name]**, Bar # **[Definitely Not Incriminating Number]**.
4. My assets shall be distributed as follows:
 - To my lawyer: all my unpaid invoices (with interest)
 - To my family: my collection of "World's Okayest Human" mugs
 - To my enemies: surprise legal paperwork, mailed posthumously
5. This decision was made with full autonomy, emotional detachment, and an unhealthy amount of caffeine.

Signed this day of _____, 20.
