An Opinion Piece From Kier Starmers Core And Non Core Promises And How Berry Goldwater's Book Concise Of A Conservative Could Help The Prime Minister Revive British Governments Efforts To Reign In Spending And Stop The Expansion Of Illegitimate Government Powers And The 50 000 Cold War Era Cells And Judge Jury Execution Programs Ran By Conservatives For 14 Years In Order To Bring Forth Lasting Peace And Harmony And Social Cohesion In A Moderate Solidarity Based Project To Create A Socially Conscious And Underclass And Middle Class Positive Policies In Order To Increase Purchasing Power, Net Income, And Lower Housing Costs.

While Expanding The Sphere And Dividing The Center So To Avoid Bunker Mentality Of The Eco Chainbair On The Political Left.

How To Move The Left From Gender And Race Politics Towards Well Being And Way Of Life Operations In Order To Increase Life Style Standards Across The Board: From Keynesian Operations Like Building 40 000 Permanent Military Intelligence Level Bunker Houses Housing 10 Apartments Each For Individualism Interested In The Military Medical And Military Engineering Fields To Enhance Non Lethal Direct Energy Weapons Programs, Digital Afterlife Programs For Soldiers, Automated Defense Initiatives, Mobile Infantry Units Based On Trained Robot Soldiers, And Multi Functioning Weapon Manufacturing And Nato Weapon System Part 3d Printing For All Nato Equipment On Demand.

Also A Huke Version Of Increasing Saving And Being Conservative With Peoples Money Could Help Revive Peoples Intuition Of Things Going Well - A Few Hundred Thousand Pounds In The Bank Would Make Many Citizens Feel At Ease About Their Future. How To Accomplish That? Intense Construction Projects Such As The 400 000 Apartments Of The Military Intelligence Cadet Academy As Well As Data Centers And British Based Ai Enhanced, Solidarity Agenda, Document And Image Formating Ai's Could Provoke A Large Influx Of Talent Into The Government Access Pool.

These Initiatives Would Galavanise The Youth In Order To Take A Larger Role In Security Enhancements And To Pursue All To Win All Wars By 2027, May 1st. How? By Galvanising The Youth And The Elderly To Retake Not Only Britain But The Whole Initiative So The Sun Wont Ever Set On The British Empire Again - Basic Training From Age 18-20 Would Commence For Those That Sign Up For Military-Law -Medicine And Legal As Well As Weapon Training - And British Fighting Arts - Would Enhance Youth Ressilience As Well As Including Post Unification Western German Military Policy To Train Young Cadets In Democracy, Self Resilience, Self Worth, And The Meaningful Democratic Process Of Self Interest And Proper British Opinion Sharing

- In Order To Move From Criminalising Hate Speech Deemed Language To Increasing Intelligent Comments And Increase Humanism And Sciences In An Intelligent And Proper British Meme War Fare Strategy To Take Back The Internet And Psychological Peacekeeping By Introducing Producing And Making All Television Stations And Feeds, And Streaming Services Support Movies And Series And Cartoons And News Broadcast And Documentaries About The Proper British Way Towards A Moral Inclusive And Solidarity Based Approach To Build Lasting Peace In An Expanded Common Wealth

- Also Oveis Could Highlight The Effort And Introduce Images Of Hundreds Of Thousand Of Young Cadets Learning And Marching And Playing Sports In A Proper British Way Supported By Oxford, Cambridge And Other Prestigious Institutions Best Students And Teachers To Part Take In Training The 400 000 New Caddets In Self Resilience And Restoring British Self Worth And Show A Way Forward Even In The Times Of Economic Hardship From Rising Energy And Electricity And Heating Prices

- In Order To Bring These Costs Down A Strong Collaboration With Shell And Exxon Could Take Over Iranian Natural Gas Production When Irana Enters Into An Alignment With The West Again After Regaining Power From The Age Old And Dominant Theocracy By Democratic Forces. This Effort Could Bring In 1-2 Billion Usd Per Day For The British War And Peace Efforts Across The Globe

- While Enhancing Britain's Ability To Fight Multiple Battle Fronts And Win Them In A Assertive And Non Lethal Way - You Can Kill Enemies But You Can Also Turn Them - Illusionist And Magicicans Alike Can Hypnotise Crowd To Follow Their Lead So It Is Vital To Hire The Best Of Them So The Whole Of Britain Can March To One Drum, The Drum Of Healing, Relaxing And Winning Wars

- Like The War On Living Expanses, The War For Resources For The Empire, And The War On Terror Which Might Or Might Not Include Terrorism Of Lower And Higher Velocity Actions
- Like Government Over Reach, Turning Corrupt Officers And X Sas Officers As Well As Rouge Nations And 14 Years Of Conservative Rule Judge Jury Execution Air Programs And Post Soviet Sleeper Agent Networks And Cold War Era Blokes Into A Cohesive Organisation Of Intelligence Assets To Over See The Creation Of A Large Pool Of "Imperial Guards" A New Wing Of The Government And Private Sector Working With Core Interest Defenses (Cid) That Would Patrol The Streets In A Humane Fashion To Understand And Secure Streets From Young Marginal Man That Commit 85% Of Violent Crime

- Either As A Private Endeavour Under The Coordination By Daniel Vidosh From Budapest, Hungary (Privatiser Of Ussr As A Baby Genius) And Under The Strict Command Of Boris Johnson And Nigel Farage, Whole Of Britain Could Empower A Movement To Include, Train And Enhance Security Both On The Community And Both On The Street Level

- Violent Offenders Could Be Stationed At A Libyan Security Site (Africa One And Gates Of Europe Settlements) Which Would Systematically Remove The Threat From Britain That Young Marginal Not Yet Integrate Individuals Pose While Creating A Clean Path Towards Citizenship And Work Visas For All Citizens From The Commonwealth And Beyond

- How? By Taking 50% Of Libya's Oil And Natural Gas Outputs Products And Reinvesting It In The Population - Hiring 3.5 Million Libyans To Establish This Site For 3 Hours For Three Days A Week For 50 Usd For Most Libyans Would Benefit Enough For Them To Do The Heavy Lifting In Maintaining The Libyan Security Site As Well As The Gates Of Europe Settlements And The Africa One Mega City Project

- Ten Percent Of Libya's Land Mass Is Enough To House 300 Million Marginal People In A Housing Operation Where 500 Sqm Plots Would Be Allocated To Each Individual With Zoning Rights And A Show Us What You Can Build Competition As Well As Intelligence Assets Training All In Computer And Ai Enhanced Self And Community Education In Healing Relaxing A Focusing On Usable Skill Sets From Engineering To Healthcare To Agriculture, To Construction To Military And Security Roles And Many Other Crafts And Skills.

While This Is An Ambitious Project It Would Pay For Itself Easily For 300 000 000 Projected Illegal Immigrant Flow Would Turn Into An Army Of Skilled Workers And Potential Imperial Guards, Imperial Engineers, And Imperial Medics Among Other Vital Roles In Restoring British Push Towards The Humanist Scientific Aims Of Both The Crown And Both The People.

Turning The Mass Exodus Of People From Africa And The Middle East And East Asia Towards Europe Into A Massive Luxury Settlement That Turns These Millions Of People Into Concentrated Capital And Quality Enhanced And Ai Savvy And Well Educated Imperial Guards And Core Interest Defenses Security And Intelligence Officers In A Timeframe Of Half A Year To Five Years Time.

Then We Would Hire Them From Iranian Natural Gas Profits Towards Restoring Africa To Its Former Glory As A Leading Power In Humanity And Civilisation. This Would Enhance Both Our Security And Create A Large Pool Of Man Numbers With Permanent Territories And Housing As Building Block For Future British Endeavour And Security And Power Projection

Both For Soft And Hard Power Politics Abroad And At Home. Writer: Daniel Vidosh,
